

LISTE DES ARTICLES CONCERNANT LES DANSES DE SOCIÉTÉ RELEVÉS DANS LES DANCING TIMES DE 1931 A 1939

Nous possédons presque tous les numéros du magazine anglais *The Dancing Times* publiés entre janvier 1931 et décembre 1939 ; il doit nous en manquer moins de 20 exemplaires.

Nous avons feuilleté tous ces numéros plusieurs fois et en avons extrait les références de tous les articles qui nous ont paru concerner particulièrement les danses de société.

Vous trouverez ci-dessous la liste de ces articles auxquels s'ajoutent quelques textes de la revue française *Toute la danse* dans les années 50.

Chaque ligne donne :

- l'année et le mois
- le journal concerné
- la page dans le journal
- le nom de l'article
- le nom de l'auteur
- le thème de l'article
- un complément de thème
- la danse concernée éventuellement
- le pays étudié.

Enfin, la fin de liste fait apparaître un O dans le cas où des illustrations sont utilisées dans l'article considéré.

Ces exemplaires sont parfois très abîmés. Il n'est pas possible d'organiser une mise à disposition publique de ces numéros. Nous avons donc envisagé de proposer un service exceptionnel de photocopies au tarif suivant : 10,00 euros de frais fixes de manipulation + 1,00 euros la photocopie de chaque page demandée (les articles ne dépassent jamais 8 pages). Ce qui fait un prix maximum de 18,00 euros pour un article, ou de 26 euros pour 2 articles. Nous espérons ainsi limiter les demandes non justifiées tout en permettant aux chercheurs l'accès à cette base très importante d'informations. Nous espérons ainsi en préserver au maximum la qualité.

Nous avons aussi l'intention, dans l'avenir, de publier de nombreuses traductions résumés et analyses de ces textes. Merci de nous faire connaître les sujets qui vous intéresseraient afin de nous orienter dans nos choix.

Le directeur,
Jean-Claude Petit
